Wacom® Cintiq Pro Engine

Modular creative PC inserts into the back of Wacom Cintiq Pro 24 or 32, eliminating tangled cables and conserving desktop space.

Wacom® Pro Pen 3D

Provides full navigational control in 3D. The three pen buttons allow you to pan, zoom and tumble in a wide range of 3D applications.

Wacom® Color Manager

Takes the complexity out of color management and ensures the colors on your displays and in your finished work reproduce exactly as intended.
